

Participant quotes on the 2iC Program

"The 2iC peer group makes me a better leader (and a better person) by challenging me to focus on what matters and set impactful goals." Will Bernard, Kindred Home Care

"The 2iC program has been a life altering experience. In each session I have been given knowledge, theories and tools to provide invaluable positive change in my personal and professional life. This program is giving me the skills to grow, thrive and reach my professional potential." George Boone, Professional Carriers Inc.

"Awesome! An amazing overall experience. Speakers are knowledgeable, insightful and passionate about their areas of expertise. Essential for any leader looking to better their skills." H el ene Bouchard, Government of New Brunswick

"Choose happy. The 2iC program is like therapy for busy business professionals. Therapy you didn't even know you needed. It will unleash a new, super-charged you. And I guarantee you'll like this new you." Christine Comeau, Wicked Ideas

"It is an honor to have the opportunity to experience the true challenges of life and business. The Wallace McCain Institute gives us the necessary tools to accomplish our goals." Charline Cormier, WigsCan Inc/Martinique Hair Designs

"If you're not learning, you're not living but as a leader it's not enough to just live and learn. This program will give you the skills and tools to mentor others to live and learn and in turn your team will enable you to be a great leader." Greg Dickie, Atlantic All-Weather Windows Ltd.

"The 2iC program is something you NEED to experience. It has completely changed my personal and business life a full 180." Marcel Gallant, Connections Productions

"This is not just a course! 2iC shows you a few things you definitely did not know about yourself. Without knowing it, it positively changes your approach to many things in your day-to-day activities." Norbert Gebauer, Vic Progressive Diamond Drilling Inc.

"The 2iC program has given me the opportunity to grow through the shared experiences of peers, and to contribute my experiences in kind." Kristian Luck, IntelliSys Aviation Systems Inc.

"An incredible personal and professional journey that inspires development of yourself, your team and your organization." Janice McNeill, Phoenix Petroleum Ltd.

"Step away from your role and take a deep look inside." Jarett Nickerson, C-Therm Technologies Ltd.

"2iC are committed to showing you the path toward "success" by achieving goals through empowerment and aid in the development of being part owner of the process." Nancy Poirier, Jean Coutu Pharmacy

"It is impossible to put into words what an amazing journey this course is for participants... so just sign up and find out for yourself! You won't regret it." Lisa Robichaud, PQA Testing

"I have built relationships and learned skills that help us to become a stronger business." Shari Seeley, Fundy Engineering & Consulting Ltd.

"The 2iC program helped me take a step back and have a 360-degree view of my leadership style. It is also a great way to learn while thinking through others' problems." Marie Jo Thibault, Wallace McCain Institute
